This was a wonderful celebration of Tina's life and was well attended by family and friends.

Please continue to pray for her family who will be travelling back to Nigeria to hold further celebrations with their extended family.

Day of Reflection

Sunday 3rd March

Marie Curie are holding their fourth annual Day of Reflection this March. It's a special moment to remember everyone who died during the pandemic.

We're encouraging everyone to take part in a minute's silence and to share the name of who you're remembering on the day.

There are some booklets at the back of church with more information and there will be some yellow petals for you to write the name of loved ones you wish to remember on Sunday 3rd.

You are welcome to pin the petals on the noticeboard at the back of church.

Mothering Sunday 10th March

Please invite friends and family to the service and if you are able to help make posies on Sat 9th March 10am to 12pm please speak to Sue Swanepoel.

We will be having a continental breakfast in the hall after the service and would appreciate offers of help to collect supplies and set up and serve the breakfast.

Lunch Club Advance Notice

Chef Stefan has kindly agreed to do Lunch Club on 6th March

He will be assisted by a volunteer ex-student. We are still hoping to get some support from Richmond Catering College and are working with them to put a package in place. We will look at doing a monthly Wednesday Lunch (dates might vary depending on Stefan's availability) and possibly do some other events with guest speakers and light refreshments. Volunteers, comments and suggestions would be most welcome.

Please do invite friends to come along. There is a sign-up sheet at the back of church.

Kneelers

The Kneeler kits are due to arrive on Thursday 14th March and we will be setting some dates to start this project soon.

If you are interested in helping with this project please speak to Jessamy.

Rugby Parking Sat 9th March

Volunteers needed as usual so please speak with Roy if you are able to help. The more people who can help the easier it is on the team.
